Mr. B. O. Colton, Jr.,
Randlett, Utah.

Dear Mr. Colton:

RE: UINTAH DIST.

Thank you for your letter in answer to my letter of May 1 confirming my understanding had over the telephone that, owing to the refusal of the Indian Service to participate in the distribution expenses, you have refused the appointment which I made on April 22 as water commissioner in the Uintah Basin.

I note that there seem to be other arrangements being considered in the Basin and to these I am taking no exception so long as they in no way involve any delegation of state authority.

Yours very truly,

State Engineer.
